

What's Happening in Room 204?

Week of November 16

News	Reading	Math	Social Studies/Science
<p>Thank you to John for being our Lucky Dog!</p> <p>Reminders:</p> <p>Remind your child that they can wear their traditional Hmong New Year clothing for our Thanksgiving celebration on Monday.</p> <p>Early Release Wednesday @ 1:00</p> <p>Have a Wonderful Thanksgiving!</p>	<p>This week we started research on caring for, feeding and knowing the behaviors of a pet.</p> <p>We took the information that we obtained and wrote persuasive paragraphs about why our pet would be the best pet to have. Students had to back up their opinions with facts that they had researched.</p>	<p>We finished Topic 5. Look for the scores for this test to come home on Friday.</p> <p>Our next Topic will also be Multiplication. We will be using known facts to help us with harder facts like 3, 4, 6, 7 and 8.</p> <p>Remember homework for Math is assigned every Monday through Thursday, unless we are giving a topic test that week.</p>	<p>We used our Social Studies time this week to work on some Thanksgiving activities. Students made placemats for our Thanksgiving celebration on Monday. They also participated in a writing contest with other 3rd, 4th and 5th graders about what they are thankful for.</p>
