

Name: _____

Date: _____

YTY Field Trip Summary

1. Please describe the field trip you went on (where do you go, what did you see, what were the kids learning, etc.).
2. What were the student's reactions to your being there for their field trip? Did they make any specific comments to you?
3. What expectations did the teacher have for you on the field trip? What different responsibilities did you have?
4. What do you feel the students received from your being there for the field trip (academic, social, emotional, etc . . .)?
5. Was this field trip experience a day well spent? Why or why not?
